Professional Experience

Intern Front-end Developer 2023/03 – 2023/05
iNeuron.ai

Developed websites from scratch, integrated third-party API to enhance visual aesthetics and improve overall user experience. Demonstrated strong problem-solving skills by identifying and resolving issues, ensuring smooth functionality and optimal user experience.

Projects

PopcornHub ⬀ 2023/04 – 2023/05

Developed PopcornHub, a movie and TV shows website, by integrating TMBD API and provide an immersive experience for users. Designed and implemented an intuitive website architecture with seamless navigation and visually appealing page layouts, enhancing the user experience.

Climate Tracker ⬀ 2023/03 – 2023/04

Built a climate tracker website using React, allowing users to track and explore climate data intuitively and engagingly. Implemented data fetching from reliable climate APIs, ensuring accurate and up-to-date information for users

Netflix Landing Page Clone ⬀ 2023/03 – 2023/03

Created a high-fidelity clone of the Netflix landing page, demonstrating my attention to detail and ability to recreate complex UI designs. Implemented responsive design techniques, ensuring the clone is accessible and visually appealing across different devices and screen sizes.

Education

BSc Computer Science 2019/06 – 2022/07
SVKM's Mithibai College Mumbai, India

Higher Secondary Education 2017/07 – 2019/05
Viva College of Arts, Commerce and Science Mumbai, India
